Dear Jim:

I had a most successful visit to your HUMINT Headquarters at Ft. Belvoir, Virginia, on 20 January 1984. [redacted] hosted a candid discussion of Air Force HUMINT organization, capabilities, and current activities. Your AFSAC staff is alert, bright, and articulate. My participation in a roundtable discussion of the Air Force HUMINT program with this group of professional officers was a pleasant and rewarding experience.

Please express my appreciation to [redacted] and his staff for a most interesting program. The excellent briefing by [redacted] set the stage for an informative discussion.

Sincerely,
